

MACBOOK BATTERY ACTION PLAN CHECKLIST

IMMEDIATE ACTIONS:

- ☐ Enable Optimized Battery Charging
- ☐ Set Low Power Mode to “Only on Battery”
- ☐ Check Activity Monitor for energy-draining apps
- ☐ Identify resources needed
- ☐ Reduce screen brightness
- ☐ Disable Power Nap

WEEKLY MAINTENANCE:

- ☐ Check battery health and cycle count
- ☐ Clean up login items
- ☐ Update macOS and apps
- ☐ Restart your MacBook (clears background processes)

RED FLAGS TO WATCH FOR:

- ☐ Rapid battery drain (under 3 hours normal use)

- ☐ Won't charge or hold charge
- ☐ Physical swelling
- ☐ Excessive heat during charging

Why Choose SMASHED IT for Your MacBook Battery Replacement?

At SMASHED IT, we've been Auckland's trusted MacBook repair specialists for years. Our warranty-backed repairs use genuine Apple parts, and our technicians understand the unique needs of Kiwi MacBook users – from the creative professionals in Ponsonby to the business users in Parnell.

Our Locations:

- Parnell: Premium service for CBD professionals
- Papakura: Convenient South Auckland location
- Ponsonby: Perfect for creatives and café workers

We offer free battery health assessments and can often have your MacBook running like new within 24 hours.
